

Galmpton Pre-school Limited (Brixham)

Galmpton Pre-school provides a safe environment where children can learn through play, and achieve positive outcomes. The caring staff team work hard to provide for all the children's needs ensuring that they develop the necessary skills within a nurturing setting.

"Children are happy and demonstrate they feel safe and secure at the Pre-school."

"The management team strive to make the Pre-school the best it can be for the children and families who attend." Ofsted Report 2022.

At Galmpton Pre-school we have facilities for indoor and outdoor experiences in a quiet village location. We provide children with a carefully planned and structured curriculum with links to the EYFS and Development Matters framework.

Individual care and attention is made possible by a high ratio of adults to children. There are also opportunities for families to be directly involved with their children's learning and development.
