The local authority has consulted parents and carers

## Project information form

Provision					Investment in additional places (£)		Number of additional places			Investment in facilities (£)		Total (£)	Additional Information about each project	
Provision URN	Provision name and address	Provision category	Ofsted Judgement	Age range for project	Special provision fund investment in additional places	Other investment in additional places	Special provision fund additional planned places	Other investment additional planned places	Total additional planned places	Special provision fund investment in facilities	Other investment in facilities	Total investment in project	Type of SEN or disability that project is designed to meet.	LAs should use this section of the table to set out more details about the aims of the project. Beyond this further information can be listed in their strategic plan or directly on their local offer page.
138863	<b>Paignton Academy, Waterleat Road, Paignton, Devon, TQ3 3WA</b>	Special unit or resourced provision	Good	Secondary	£75,000		6		6			£75,000	Social, Emotional and Mental Health difficulties (SEMH)	This additional provision project will involve the creation of new places and added facilities in a mainstream school. This will allow for anxious children and young people currently receiving bespoke educational packages to be brought back into the local area and to be on role at a mainstream school. This investment is part of a wider package of investments to reduce children's travel times to other authorities and support them to be independent within their local community.
113526	<b>The Spires College, Westlands Lane, TORQUAY, DEVON, TQ1 3PE</b>	Special unit or resourced provision	Good	Secondary	£75,000		15		15			£75,000	Autistic Spectrum Disorders (ASD)	This additional provision project will involve the improvement of current facilities to create of a new enhanced provision at the Spires College for children and young people with an EHC plan and a diagnosis of Autistic Spectrum Disorder (ASD). It has been agreed that this provision shall begin September 2018 by offering 10 spaces increasing to 15 places by September 2020. This investment is part of a wider package of investments to reduce children's travel times to other authorities and support them to be independent within their local community.
	<b>Please see successful applicants list on SEN Capital Funding webpage for 2018-19, 2019-20 and 2020-21 yet to be confirmed</b>	Mainstream provision (not unit)		Other category in 0-25 age-range (please specify in project description)					0	£300,000		£300,000	Promote inclusive practice for children and young people with Special Educational Needs and/or Disabilities (SEND)	This is a project to create Accessibility Funding to be made available on a bid basis for mainstream schools (not special schools), private/voluntary and early years providers to covering facilities over and above reasonable adjustments that are identified necessary for the inclusion of specific children's special needs. A clear bidding criteria and process will be introduced in April 2018. This will include the requirement for a clear evidence base of need for additionality in the schools' Access Plan, or similar, to secure a successful bid. 15-20 successful bids are anticipated by 2021.
	<b>Medical Tuition Service</b>	Alternative provision/P RU		Primary, secondary and post-16	£50,000		6		6			£50,000	Physical/ Sensory needs (PHY) and Social, Emotional and Mental Health difficulties (SEMH)	This additional provision project will involve enhancement of the Medical Tuition Service (MTS) to include at least 6 spaces for Post 16 provision for students with an EHC plan by September 2020.
	<b>3 sites yet to be confirmed</b>	Special unit or resourced provision		Primary	£150,000		18		18			£150,000	Social, Emotional and Mental Health difficulties (SEMH)	This additional provision project will involve the creation of new places and added facilities in 3 mainstream primary schools. This will support children currently receiving bespoke educational packages/not coping in mainstream provision to be placed in an enhanced provision at a mainstream school.
	<b>2 sites yet to be confirmed</b>	Special unit or resourced provision		Secondary	£100,000		10		10			£100,000	Social, Emotional and Mental Health difficulties (SEMH)	This additional provision project will involve the creation of new places and added facilities in 2 mainstream secondary schools. This will support children and young people currently receiving bespoke educational packages/ not coping in mainstream provision to be placed in an enhanced provision at a mainstream school.
	<b>1 site yet to be confirmed</b>	Special unit or resourced provision		Post-16	£98,837		10		10			£98,837	Social, Emotional and Mental Health difficulties (SEMH)	This additional provision project will involve the creation of new places and added facilities in a mainstream post-16 educational provision. This will support young people currently receiving bespoke educational packages/ not coping in mainstream provision to be placed in an enhanced provision at a mainstream post-16 educational provision.

## Consultation form

## More information about investment in provision for pupils with education, health and care (EHC) plans up until 2021

The special provision fund is to support local authorities to grow and improve provision to benefit pupils with EHC plans. The fund can be used to create new places and improve facilities for pupils with special educational needs and disabilities at existing schools. For more details see: <https://www.gov.uk/government/publications/send-provision-capital-funding-for-pupils->
