'Flyer' List of Practitioner Training

Links to practitioner training for SEND and Torbay's Graduated Response can be found on the [SEND Support and Provision – Graduated Response](#) page.

1. Use the toggle on the left-hand **'Related Topics'** menu bar to scroll to the bottom.

2. Click on **'Training for Practitioners: Torbay Graduated Response and SEND'**, as above.

The weblink for this flyer will always remain the same and be updated with new training as it is listed on i-learn and the Torbay Family Hub.

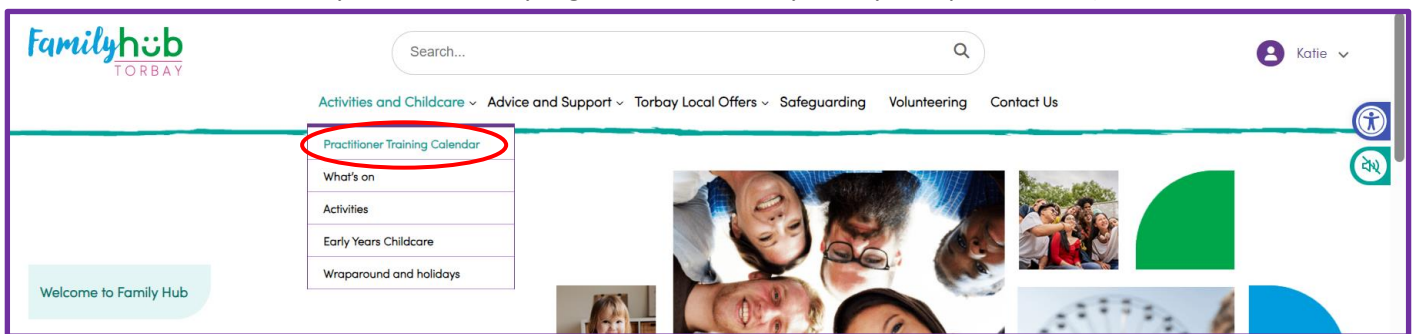

Searching for Training

You can search for practitioner training events via two routes:

1. Listed on the **Online Flyer** (above).
You can **search** for any specific terms or Graduated Response categories (**Neurodiversity**, **SEMH**, **Physical & Sensory**, **Cognition & Learning**, **SLCN**) on the online flyer page by holding down 'Control+F'.
2. Once registered as a Torbay Family Hub Practitioner ([Practitioner login - Family Hub](#) – see [below](#)), you will also be able to view the Torbay Family Hub [Practitioner Training Calendar](#) – where you are able to search by **date**, by a specific '**Target Audience**', by **graduated response category**, or by **content 'Tags'**.

The link to this is available in two places, either:

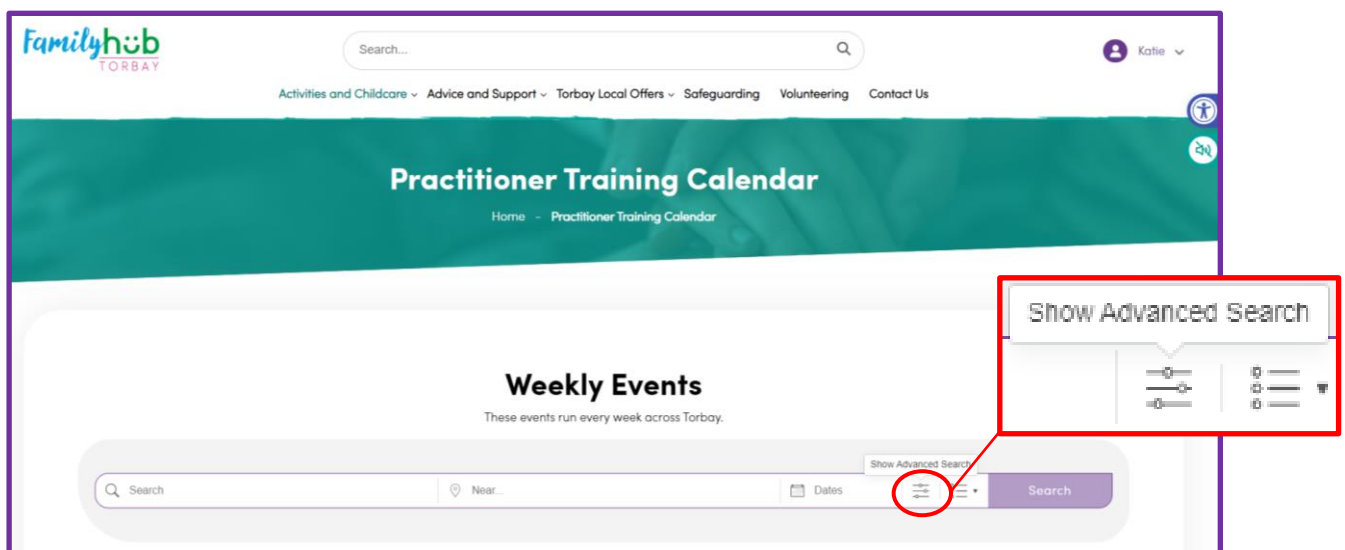

- i. Within the '**Training for Practitioners: Torbay Graduated Response and SEND**' section described above, or,
- ii. Listed under the top '**Activities and Childcare**' drop-down menu. (Please note – this option will only be visible if you have already registered as a Torbay Family Hub practitioner.)

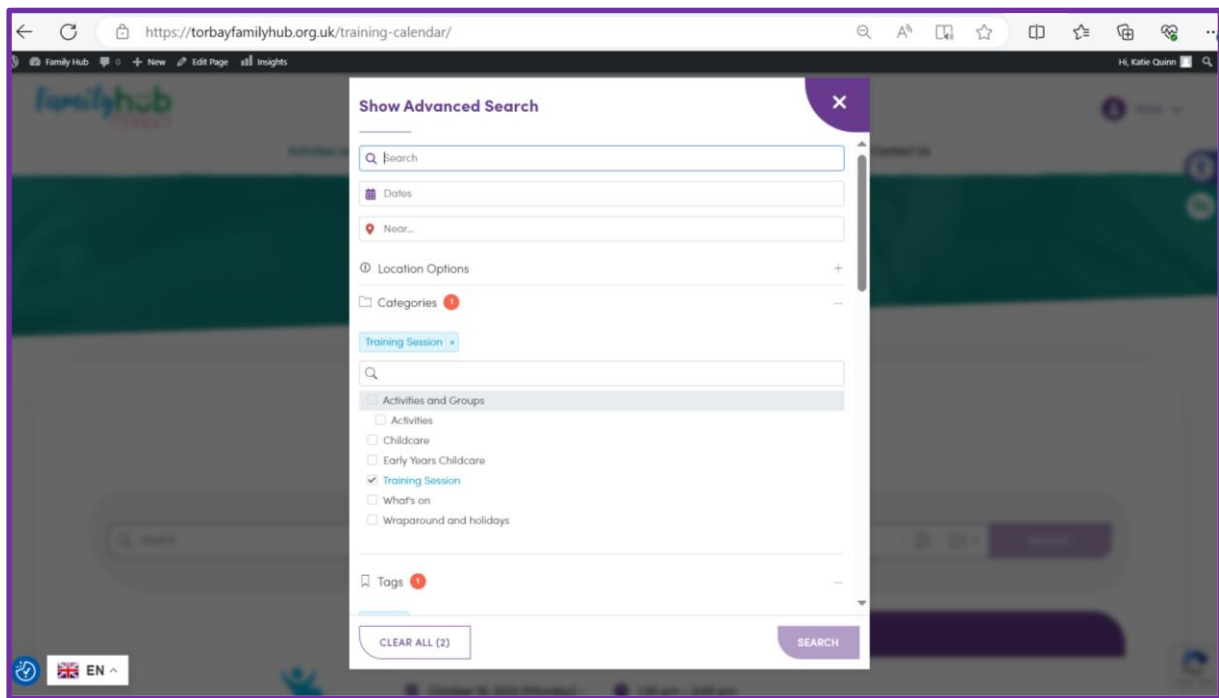

Torbay Family Hub 'Practitioner Training Calendar'

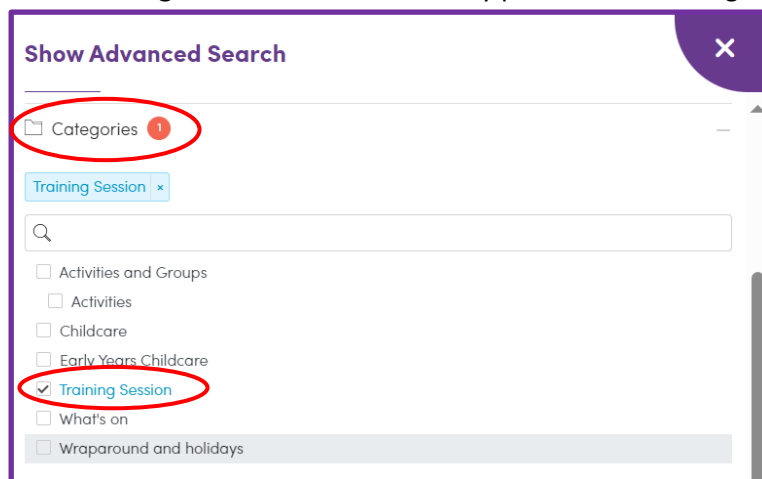

If you would prefer to search for practitioner training by **date**, **Target Audience** or other **search 'Tags'**, you can do this via the [Practitioner Training Calendar](#). Please see the '**Target Audience**' tags you can choose from listed [below](#).

1. Scroll down on the [Practitioner Training Calendar](#) page and select the 'Advanced Search' tool, as below:

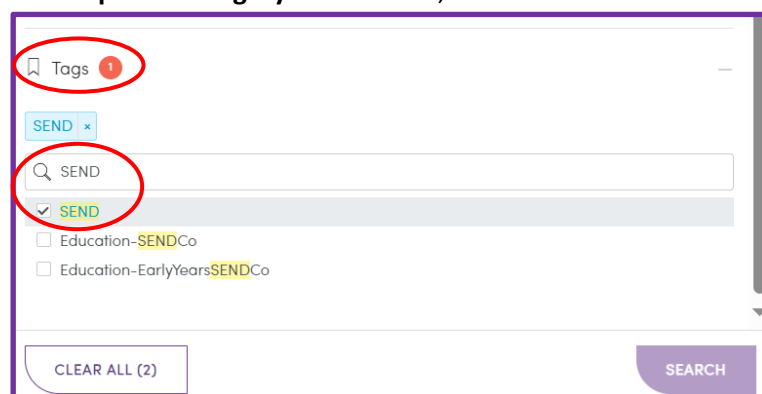

2. Under 'Categories', choose 'Training Session' – this selects only practitioner training events.

3. Under 'Tags', choose 'SEND' – this filters for all training that has the SEND 'Tag' selected. Alternatively – choose any of the tags below to filter for:

- a select **Target Audience**, such as 'Education-SENDCo', or
- a different **Graduated Response Category** search term, such as 'SEMH'

4. Left-click on  to filter for your chosen practitioner **Target Audience** or **Graduated Response** training areas.

Reference Search Terms

Please find the search terms **Target Audience** and **Graduated Response categories** listed below:

<u>Target Audience – Search Term</u>	<i>Practitioners, including...</i>

SLCN

Note: Practitioner Registration

In order to view the Family Hub [Practitioner Training Calendar](#) for training links, you must first register as a Torbay Family Hub Practitioner here: [Practitioner login - Family Hub](#). (This will also give access to the Family Hub [Practitioner Area](#).)

Torbay 'One Children's Services' Pledge to our children and young people

We will tell you the truth, we will listen and work with you to plan and explain what is possible and why things may need to change or happen.

We will listen carefully and ensure that we build a plan of support around your aspirations, hopes and goals.

We will treat you as the expert, build our professional knowledge of your needs and what is available to help you.

We will treat you and your family with respect.

We will listen carefully and ask you how you want to receive your support.

We will take time to find out lots about you, we will celebrate with you when things go well and help you when things are difficult.
