2025

4

4

Priorities

for

Change

1

1. Stronger

Partnerships

&

&

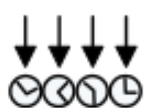

Communication

• Clear

accountability

• Regular

updates

for

families

• Easier

ways

to

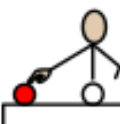

give

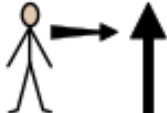

feedback

2   & 
2. Better Services & Support

•    + 
• More help for Autistic and neurodiverse children

•      
• Local support that matches real needs

•    + 
• Ongoing parent groups and training

3    & 
3. Joined-Up Education, Health & Care

-   
Faster, clearer EHCPs

-   
Early identification of needs

-    
Fewer exclusions, more inclusion

-  **16+** 
Better post-16 options

4.  Faster  Health  Support  &  Early  Help

•  New  joint  pathways for  Autism,  ADHD

•  Quick  access to  SALT  &  OT  advice

•  Mental health  support  when  it's needed

•  Support for  families  while  waiting

How

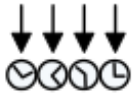

We'll

Track

Progress

Regular
